

Encompass Care - Direct Primary Care Membership

Whole-person care. Simplified access. Transparent pricing.

Overview

The **Encompass Care Direct Primary Care (DPC) Membership** is designed for individuals and families who value a personalized, holistic approach to their health and want ongoing access to a trusted provider without the complexity of insurance-based care.

This model is ideal for:

- **Adults looking for more time and attention during visits**—with longer appointments, thorough evaluations, and whole-person treatment plans
- **Patients managing chronic conditions** (e.g., fatigue, hormonal imbalance, mental health, thyroid issues) who want consistent, integrative care
- **Individuals seeking preventive care, lifestyle support, or functional medicine**—and want guidance beyond conventional checkboxes
- **Families wanting dependable care for multiple generations** in one place
- **Those frustrated by rushed visits, limited communication, or high out-of-pocket costs with traditional insurance-based models**
- **Uninsured, underinsured, or high-deductible plan holders** seeking a predictable, affordable monthly healthcare cost
- Anyone who wants to build a long-term, collaborative relationship with a provider who knows their story and cares deeply about their wellbeing

Encompass Care DPC is especially valuable for those who want to feel **seen, heard, and supported**—and who believe healthcare should be **accessible, transparent, and empowering**.

2025 Membership Fees

A simple, flat-rate model—no copays, surprise bills, or hidden fees.

Adults

- **\$150 one-time registration fee** (*applied to your first month; includes a 60-minute intake visit*)
- **Adults (18–50 years):** \$65/month
- **Adults (50–64 years):** \$75/month
- **Adults (65+):** \$85/month

**Sliding scale available—please inquire if cost is a barrier.*
